

| Specifications |                                                                                           |
|----------------|-------------------------------------------------------------------------------------------|
| System         |                                                                                           |
| CPU            | Cortex A9 Dual core 1GHz Mstar786                                                         |
| RAM            | DDR3 1Gb                                                                                  |
| ROM            | 8G EMMC                                                                                   |
| SD             | support 32G SD card                                                                       |
| VIDEO          | RMVB,MKV,MOV,WMV,AVI,MPG,TS with 1080P H.264 format etc. alomost all format was supported |
| AUDIO          | MP3,WMA,WAV,OGG,FLAC                                                                      |
| GPS MODULE     | Support GPS                                                                               |
| OS             | Android 7.1                                                                               |

## Descriptions:

### 1) Android

7.1 system. HD Original Capacitive Touch screen, SUNPLUS 8202TQ high temperature loader.

### 2) support DVD, VCD, CD, CD-R, CD-

RW, MP3, DIVX, Mp3, MP4, MP5(RM ,RMVB(1280\*720P)), SVCD, DVD-9, AVI J PEG, BMP, PNG, TIFF, JIF

### 3) Built-

in Bluetooth: V2.0,support A2DP(Bluetooth Stereo Music),can play stereo music; support handsfree call, dial-up and incoming call automatic

### 4) Built-in AM/FM Radio, RDS

### 5) Ipod Connectivity and BT phonebook

### 6) DVB-T,ISDB-T (optional)

### 7) Dual zone(Play dvd,radio or tv while navigation)

### 8) Support Ipod list, With Build in 3G and Wifi function;

### 9) Buit-in 4x45W hi-

fi amplifier: international professional BBE sound effect processing to strengthen audio ambience and sound embellishment effects and make music more gentle

### 10) Full function of infrared remote-control operation

### 11) Equipped with reversing video signal input ,can support many kinds of reversing camera, automatic switch to reverse

### 12) Electronic and mechanical anti-shock system

### 13) Support TOMTOM, IGO8,Route66 etc. map.

### 14) Languages: English, Russian, Portuguese, Chinese(both), Arabic, Spanish, Turkish, Vietnamese etc.. More menu languages can be customized.
