

2 din car dvd

1□Other UI are all inside DVD□Our UI are alone on CPU,M-Star776 is just Drive IC

2□PIP function is also only made by M-star 776 scheme

3□The advantages: The DVD can't work and the radio isn't effection

When the radio,Bluetooth, GPS are working.Since it will extend machines and machine life.

4□If you are using on DVD use interface,DVD is always working.
