FAQ

Q1: Can you ship the goods to our country?

A:Yes, you can choose express (DHL/UPS/FEDEX/EMS/ARAMEX/TNT) and by air, by sea to most countries.

Q2:Can I test the sample?

A:Yes, we can provide samples for testing for a fee.The cost of the sample will be refunded when the next batch of customer mass production orders, but shipping costs are not included.

Q3:How do you ensure quality?

A:The company designs and develops the system and circuit board according to the requirements of customers for CE, using high quality materials to ensure the good performance of the system, and carries out quality control tests for many times before delivery, so that the products can meet the requirements of automobile dealers and are durable.

Q4: What is your terms of packing?

A:Generally speaking, we pack the goods in neutral boxes and cartons. If you have a legally registered patent, we can get your authorization to customize the boxes and put the goods into your brand boxes

Q5:Do you test all your goods before delivery?

A: Yes, we have 100% test before delivery.

Q6:How long is the delivery time?

A:Sample 3 days, bulk order generally 7-15 days, depending on the order quantity and your specific requirements.

Q7:How do you make our business long term and good relationship?

A: We will ensure the interests of our customers with good quality and competitive price;
