□□□□□□□□□□ Audi Q3 2011 2012 2013 2014 2015 2016 2017

:

A detailed view of a car's interior, focusing on the dashboard and steering wheel. The steering wheel is black with silver accents and features the Audi logo in the center. The instrument cluster behind the steering wheel includes two large analog gauges (speedometer and tachometer) and a central digital display. The dashboard is black with horizontal air vents and a central infotainment screen displaying a map. Below the dashboard, the center console features a gear shifter and handbrake. The overall design is modern and sleek.

The screenshot shows the 'Effect Set' interface. At the top, the title 'Effect Set' is centered. Below it, five frequency sliders are displayed with labels: 60Hz, 230Hz, 910Hz, 3600Hz, and 14kHz. Each slider has a yellow bar indicating the current level. Below the sliders, five preset buttons are shown: 'Custom' (highlighted with a yellow border), 'Classical', 'Pop', 'Movie', and 'Rock'. To the right of the sliders, four rotary controls are arranged in a 2x2 grid, labeled 'treble', 'middle', 'bass', and 'mega bass'. Each control has a needle and a scale from 0 to 10. The bottom of the screen features a navigation bar with icons for Home, Back, Signal strength, Wi-Fi, Bluetooth, NFC, and a dock containing a folder icon and a play button.

Original telescopic screen without navigation
fit for telescopic 8 inch screen and fixed 8.8 inch screen
